The Lord's Pantry of Downingtown has been in operation for over 50 years and is a non-profit, 501(c)(3). Since its inception, the Lord's Pantry has been, and remains, 100% volunteer.

We currently serve 700 registered families a six to seven day supply of food which includes non-perishables, meat selections, vegetables and dairy products, laundry detergent, paper products, toiletries and donated pet food.

The sources of funding for the pantry include schools, churches, organizations and individuals. The organizations that regularly contribute significantly to our budget include Philabundance (Grocers Against Hunger), Chester County Food Bank (State Food Purchase Program and The Emergency Food Assistance Program), United Way (Donor Choice #5102), and a variety of grants.

We encourage you to call us or stop by for a visit. Join the more than 110 dedicated volunteers who give their time each month to staff the pantry, pick up and collect food, organize food drives or assist in special events. We welcome your support. Visit our website for more information!
